Supervisor's Office

Town attorney Jen Strong and I have been hard at work insuring that the Town retains essential ambulance service due to Rural Metro terminating their contract with the Town. The Town has applied and received NYS Health Department and Regional Authority to operate as a Municipal Ambulance Authority. We will do so via a contract with LVAC (Lancaster Volunteer Ambulance Corp., Inc.) I expect a seamless transition with this critical change of service provider. Rural Metro (now AMR) will act as backup through a mutual aid agreement with LVAC.

Happy 100th Birthday Alden State Bank

This October 5th, Alden State Bank will celebrate 100 years of business. I and the entire Town Board would like to sincerely congratulate Alden State Bank for their 100 years of service. Throughout the last 10 decades Alden State Bank has helped literally thousands of Aldenites achieve their dreams of home ownership, business incubation and community growth. Alden State Bank has made Alden a better place to live – both through their service and through their generous support and funding of countless community, school, and recreation programs. I wish our "Hometown" bank another 100 years of success.

In the near future, residents who receive state property tax exemptions, have a home that is their primary residence and have a total family income of \$500,000 or less should receive a check for a "Property Tax Freeze Credit" from the NYS Department of Taxation and Finance. This check is made possible because the Town of Alden, the school, and the Village all stayed under the state mandated tax cap.

Sincerely, Richard Savage, Supervisor
